West Side Christian School Summer Reading

Summer 2020 Completion Form

This form and one assignment is due by Friday the first week of class.

Point deduction for each day late: 10 points

Signing this form is an indication of a student's good faith effort to read the text of the assigned books completely rather than in superficial manner. Reading Cliff Notes, Spark Notes, Pink Monkey, Barron's, etc., and or watching a movie version is NOT a substitute for reading the book. Such activities do not qualify a student as having completed the summer reading requirement nor do they promote the growth in language and imaginative experience that we view as important for our students. Achievement of high scores on the ACT and other standardized tests shows a direct relationship to the amount of time a student spends reading acquiring comprehension skills and vocabulary. The student must read the selected books *this* summer and not fill out the report based on having read or listened to the book in the past.
